In the Claims.

Please cancel claims 1-10 and 22-27.

REMARKS

This is a Preliminary Amendment which is filed concurrently with the national entry of the above-referenced patent application. In this Preliminary Amendment, Applicant has cancelled claims 1-10 and 22-27

Claims 1-58 were originally filed. During international preliminary examination, an Article 34 amendment was entered that replaced claims 1-58 with current claims 1-27. Of these, claims 11-21 received favorable international preliminary examination. After entry of the amendment, claims 11-21 will be the only remaining claims.

The amendment contained herein introduces no new matter in the application. Examination and consideration of the application, as amended, is respectfully requested. Applicant believes that no additional fee is required to accompany this Preliminary Amendment. In the event Applicant has inadvertently overlooked the need for any additional fee, Applicant authorizes any deficiency to be charged to deposit account number 09-0007. When doing so, please refer to our File No. P00240-US-03.
